# Christmas Message from the Parish Priest

Dear brothers and sisters,

As we gather to celebrate the glorious feast of Christmas, my heart is filled with deep gratitude for each one of you. This year has been a special blessing for our parish as we journeyed together through the Jubilee, walking as Pilgrims of Hope. Now, as we bring this sacred year to a close, I want to thank you sincerely for your faith, your generosity, and your joyful witness.

Throughout the Jubilee, we prayed together, served together, and renewed our commitment to living as a people of hope. I have seen Christ alive in your kindness, your patience, and your willingness to accompany one another. You have shown what it means to be a true Christian community—one that reflects the light of Christ to the world.

At Christmas, we celebrate that very Light—Jesus, the Word made flesh—who enters our darkness with peace, mercy, and unshakeable hope. May the Christ Child bless your hearts and your homes, strengthen your families, and renew in each of us the courage to continue walking as hopeful disciples.

Thank you for all you do for our parish: your prayer, your presence, your ministries, and your support. I am humbled and grateful to serve as your parish priest.

As we close this year, may we always remember what Pope St John Paul II said “Let us remember the past with gratitude, live the present with enthusiasm, and look forward to the future with confidence.”

Wishing you and your loved ones a blessed Christmas and a grace-filled New Year.

Let us continue, together, as Pilgrims of Hope.

With love and blessings,

Fr Carlo

# Update from the Operations & Finance Manager

Kia ora

Thank you all for your support this year. **It is so good to have great volunteers** who work with the team in the office. I don't want to name anybody as I am afraid I miss someone, but please be assured that I appreciate your time, commitment, energy and support that we have received in many ways.

Despite being blessed with a big number of volunteers, we are still calling for new volunteers. For some tasks we still haven't found any volunteers, and then there are tasks that are better shared within teams of parishioners. Being part of a team working together means that they can support each other and being able to take a break without feeling that they are letting the parish down. As it says in the wisdom literature: "Two are better than one, because they have a good return for their labour: If either of them falls down, one can help the other up." (Ecclesiastes 4:9-10). If you have limited time to offer or specific talents you would like to share with the parish, please get in touch with me and we will find something that would suit you.

You will see that we have completed a number of **maintenance projects** this year. We are still in catch-up mode after the big dent that Covid left in the parish finances. At the same time, the churches and the presbytery are getting older: St Francis church was built in 1977 and St John's church in 1994.

We all know that maintenance hasn't become cheaper—as much as we are trying to save money by managing the projects ourselves and calling on some specialist volunteers who are carrying out repairs as well as other parishioners with trading businesses who give us preferred service when we call in emergencies.

Sometimes, I feel like key devices seem to break down when you most need them. Even though we had prepared quotes and calculated costs for new screens, we didn't think that we had to replace the projectors in an emergency act: the projectors in St John's church stopped working in Advent 2024 and the ones in St Francis church just before Holy Week 2025.

It is quite a challenge to get these kind of urgent projects done under enormous time pressure, but I would like to thank the volunteers who supported me and our wonderful parish electricians who went out of their way to get things done on time.

Enjoy this **Frankie & Johnny**—some snapshots of what has happened in 2025.

Many blessings, *Beate*

# Volunteers in the Parish

## Gardening Teams

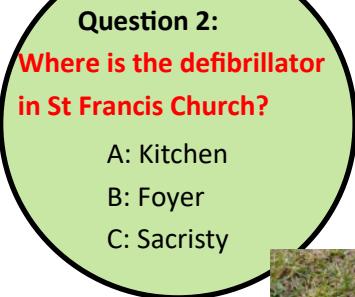

At St John's church, we have allocated small plots to different volunteers who look after them. Earlier this year, a new volunteer committed herself to look after the plot around Our Lady. Thank you!

We are looking for more volunteers to look after the parish gardens, and we would like to set up a small team for the flower beds at St Francis church. Please get in touch with the office if you can help.

## Cleaning Team

We have a wonderful team of volunteers who regularly clean St Francis church. This year, we supported their work by getting in professional cleaners to clean the windows and the cushions on the pews (which was also done in St John's church).

# Health & Safety in the Parish

Do you know what to do in case of an emergency? **Remember that we have a defibrillator in the main sacristies in both churches.** Outside Mass times, the nearest publicly accessible defibrillators are at the schools.

Mairangi Bay: **St. John's Primary School**, 87A Penzance Rd.  
Torbay: **Glamorgan School - School Hall**, 145 Glamorgan Dr

We had a great training by **Hato Hone St John** in October, and we are looking for **Health & Safety wardens** for our Masses—would this be something you might be interested in? Please get in touch with the office.

**Let's keep our community safe**

## The 3 Steps for Life:

### Calling 111

When you call 111 our call handlers work with you to send the right help for your emergency.

### Starting CPR

CPR is easy, and vital for anyone in cardiac arrest - to have a chance of survival.

### Using an AED

An AED can bring the heart back to a natural beating rhythm; using one increases a person's chance of survival by up to 40 per cent.

# Groups in the Parish

**Gamblers Anonymous North Shore** would like to thank St John the Baptist community for the use of your room at the church: The North Shore group has been meeting here since 2000 each Thursday evening. We are very appreciative to have this provision. We have had a number of people begin their recovery alongside those who continue their recovery.

If gambling is an issue for anyone, please get in touch. Anonymity is part of our tradition.

## Craft Group

The **craft group ladies** often knit for **Dove House** and **Hospice** to support holistic care and support for people with cancer, serious illness, needing palliative care, and challenges in their lives. They offer support and encouragement to think positively about what life has offered them by skilled and professional staff. Their shops sell craft goods and other articles, the proceeds of which support their valuable work.

# Greetings from the Parish Pastoral Council

Kia ora and blessings to all,

My name is Nola Lopes, and I have the joy of serving as Chair of our Parish Pastoral Council. My husband Maurice, Chair of the Finance Committee, and our two daughters, Schevon and Simone, are all actively involved in parish life. As a family, we also lead and support the Living Water Prayer Group here at St John's.

I feel truly blessed to lead a team of dedicated and passionate Parish council members who generously give their time and talents to serve our community and live out their faith.

2025 has been a year of faith, connection, and joyful service. With new members joining the PPC, we've focused on outreach and engagement—praying the Rosary before Sunday Masses in October, improving our digital presence, and launching a volunteer campaign to invite more people into parish life.

We've hosted diocesan training for ministers, farewelled Fr. Danko with love and gratitude, celebrated fathers and grandparents, and supported youth involvement through the NET Encounter weekend and a Youth Alpha session.

The year ended on a high with our Parish Christmas Party—a vibrant sit-down celebration with pork lechon, biryani, fried rice, fresh salads, desserts, cake, games, and beautiful carols sung by our 9am and 10:30am choirs.

We now look forward to celebrating Fr. Carlo's 15th anniversary of priesthood on Sunday, 21 December. We'll be marking this as a parish family after the 10:30am Mass, and would love everyone to join us for this special occasion.

Looking ahead to 2026, we are still seeking someone to lead our Ecumenism and Interfaith portfolios. If this is something you feel called to, we warmly encourage you to connect with us.

If you'd like to speak with a PPC member, our names and photos are displayed on the noticeboards at both churches—please feel free to reach out at any time.

Wishing you and your whānau a joyful Christmas and every blessing for the New Year. Meri Kirihiomete me ngā manaakitanga mō te Tau Hou!

With gratitude,

Nola Lopes

# Altar Servers

This year, 11 new altar servers were trained. The altar servers team for St Francis church has grown so much that we needed to get more albs and hence prepared the Reconciliation Room for them to get ready before Mass.

Thank you to the wonderful volunteers who trained the Altar Servers, those who installed the wardrobe, who sewed new albs, the parents who take their children to Mass, any others who are involved in supporting the children —and, of course, thank you to all Altar Servers!

The NZCBCIR members from across the country brought their booklets on **Promoting Interfaith Relations** which are available at the back of the churches or [online](#).

## ST. VINCENT DE PAUL SOCIETY

2025 has been another busy year. We are very fortunate to have very generous donors in our parish which allows us to help needy families in many ways.

Pope Leo says "God has a special place in his heart for the poor and oppressed, and he asks us to make a decisive and radical choice in favour of the weakest". This also includes reaching out to the wider community. Through the year we have paid for winter pyjamas, repaired broken windows and helped with cost of school activities as well as paying for several children from St Johns to attend camp next year.

Our food parcels exceeded 300. A huge thanks for all the generosity we have received as without it we would not be able to help in so many ways.

Belonging to Society of St Vincent de Paul is very rewarding and if you think it may be something you would like to do please do not hesitate to contact me.

## Passionist Family Group

Along with our monthly gatherings, 2025 has been an exciting & busy year for Passionist Family Groups in East Coast Bays with the start of a brand new group.

We have also had the National Co-ordinator Paul Traynor come up from Greytown and give 2 formation sessions on "Belonging" & "The importance of Community". With Christmas on the horizon, Passionist Family group members have generously provided hampers for 6 families & \$1500 in grocery vouchers to help fellow parishioners have a more enjoyable festive season after a very difficult year.

If you would like to join our "Family for All" & help build the parish community, please get in touch with us.

## Baptism Preparation

Our Baptism Preparation Course offers families a calm space to pause from daily busyness, reflect on the meaning and origins of Baptism, and explore the Church's teaching alongside their role as parents and first educators. Through discussion, shared memories, and practical guidance, families connect with one another and grow in confidence as they prepare their child for this sacrament.

It has been a joy to accompany these families this year—listening to their faith stories, walking alongside them as they build relationships, and supporting them as they bring their children into the life of the Church. We are deeply grateful to the priests and deacons who have received these children into the Body of Christ, and to the many families who have embraced this grace for their children. May our parish continue to nurture them in faith as they grow and follow Jesus Christ, the Way, the Truth, and the Life (Jn 14:6).

## OCIA – Becoming Catholic

Each week, families and adults preparing to enter the Catholic Church gather to explore scripture, prayer, the sacraments, and Catholic social teaching—discovering faith in Jesus Christ as a joyful, communal journey. One candidate shared, “I’ve found a peace I hadn’t known before,” while another said, “This journey has helped me see God in everyday moments.”

A favourite practice for families has been the 3-2-1 Endurance Challenge, introduced by Fr. Alister Castillo (Luke 21:5-19):

- 3 minutes of quiet prayer with Jesus
- 2 acts of encouragement to others
- 1 duty or service done well and without fuss

## Anointing of the Sick

All parishioners were invited to receive the Anointing of the Sick during all Masses on two weekends in 2025.

*By the anointing of the sick and the prayer of the priests the whole Church commends those who are ill to the suffering and glorified Lord.*

Families have found this simple rhythm a powerful reminder that Jesus is always with us, guiding daily faithfulness one step at a time.

Our parish accompanies them with prayer, hospitality, service, witness, and catechesis. Recently, **13 catechumens celebrated the Rite of Acceptance, while 4 candidates continue their journey toward full communion.** In his Advent homily, Fr. Carlo reminded us that their “yes” to Jesus’ gentle invitation is a call for all of us to stay awake to what truly matters, and to keep saying yes to Christ who visits us daily—in creation, in others, and in the Blessed Sacrament. He also highlighted that their desire to enter the Church strengthens us all, reminding us that faith is a journey of transformation, renewed constantly and full of hope as we walk in the light of Jesus.

Please keep Abraham, Abiya, Ainee, Belva, Beatrice, Brilliano, Brooklyn, Carlos, Celeste, Clinton, Harry, Hannah, Liam, Matthew, Vicky, Wan Zhu, and Xander in your prayers. If you see them at Mass, welcome them warmly into our parish family.

Two candidates will be received into the Church in February, the rest at Easter. All catechumens continue toward receiving the gifts of Baptism, Confirmation, and the Eucharist at the Easter Vigil.

the children of St John's School

## CHILDREN'S MASS AT ST JOHN'S (9am, 3rd Sunday/month, except January)

Our very special Children's Masses continue at the 9 am mass every 3rd Sunday with the exception of January. These are very well attended and the children embrace their leadership roles on the day with self-assurance and enthusiasm. Children are encouraged to arrive by 8:30 am in order to allow plenty of time for them to practise their roles for the mass which builds confidence as well as competence. Our music for these masses is led by Cara Mountjoy, the DRS of St John's School which brings a welcome connection between the school and Parish. Lucy Kim continues to lead this mass jointly with myself and this is a great partnership. We warmly invite all children to join us for these masses in 2026 and to help make the 3rd Sunday of each month, a special time of worship for the children in our parish.

**Thank you so much for  
your generous presents

**The gifts will go to
